Jocelyn and Joseph:

1. On Friday, January 24, 2020, Alex Knowles, Esquire, on behalf of the South Carolina Office of Regulatory Staff, requested that the response date in this Docket be changed from January 27, 2020, until February 6, 2020. Alex's request indicated that counsel for all parties did not object to his request.
2. As of this writing, we have not received guidance from the Commission and our response is due this afternoon.
3. **Please advise**, if the Commission is in agreement with Alex Knowles' request, as soon as is convenient.

Regards,

Richard Whitt,

As counsel for the South Carolina Solar Business Alliance, Inc.,
Ecoplexus Inc, and Cypress Creek Renewables, LLC.
